The intramural volleyball base champion has been crowned. The MXS outlasted the CES for the championship May 31 at the sports and fitness center. MXS muscled its way through the match to win games one and three. CES won the second game. MXS flew through the playoffs never losing in the double-elimination bracket.

CES played with intensity and a lot of energy but they were simply outplayed. Congratulations MXS. Our featured softball game for this week (because I couldn't get out to watch any of the other ones) put MSS against COMM (A). This was an intense and evenly matched game right down to the very end. MSS played a full seven-inning game for only the second time in five games. "Spanky" hit the only homerun of the game in the third inning, which gave COMM (A) the lead until the end. MSS pretty much hung around the entire game, pushing out base hit after base hit. But it wasn't enough. COMM (A) came out victorious, 14-8. Unfortunately, two MSS players (Franklin Freeman and Winston "Prime Time" Culley) found out what it was like

to strike out in front of a packed crowd. Freeman struck out after watching two strikes slide through, whiffed at the third during one at-bat, came back the next at-bat and watched the first strike, whiffed for a second and fouled off the third for strike three. "Prime Time" struck out after swinging at the first pitch, watched strike two and swung for strike three. The COMM (A) pitcher put the pitches where they couldn't hit them — down the middle of the plate. In other Monday scores, AMMO hammered CES (A) 18-8, SFS beat SUPS (A) in a high scoring slugfest, 25-15 and the 80th Fighter Squadron "Juvats" squeaked by the 35th FS "Pantons," 9-7. Some interesting e-mails have been coming my way. According to one SFS (K-9) softball team member, his team is going to make a run for the top. At two wins and three losses, they had better start making that run now. I'm sure that QA, MXS (D) and CES (B), among others, will have something to say about it. Thank you for the e-mails and keep them coming. Just please remember to keep them in good taste. Next week, the feature game will be AMMO vs. the only undefeated team left, SFS, set for Monday at 8 pm. That should make for an interesting game! See you at the ballpark.
